You can ride this on your full Car licence !

Equipped with a confidence inspiring three-wheel layout, Tricity is a lightweight urban commuter vehicle with user friendly features designed for the needs of new riders. The Tricity now sports more power thanks to its punchy 155cc four-stroke engine.
The accessible 3-wheel layout, with standard ABS, makes it ideal for inexperienced riders and twin leaning font wheels give lightweight agility with a special feeling of stability.
Getting to work is a major issue for many of us, but the affordable, easy to use and economical Tricity has the power to transform your

commute and improve your life!

Key features of the Tricity 155 Include:

*Three wheels for enhanced confidence.

*Closely spaced front wheels for agility in traffic.

*155cc four-stroke engine for enhanced power.

*13-inch rear wheel with wide 130/70 rear tyre.

*ABS and Unified Brake System.

*Disc brakes front (220mm) and rear (230mm)
